# EMERGING TRENDS IN INTELLECTUAL PROPERTY RIGHTS IN INDIAN CONTEXT

Date:

2<sup>nd</sup> to 8<sup>th</sup> November, 2023

Organized by:

UGC Approved Gandhi Study Centre,  
Jhanji Hemnath Sarma College  
in collaboration with  
Assam Women's University, Jorhat  
&  
Dikhowmukh College, Sivasagar

## About the College

Established on 25th July, 1964, Jhanji Hemnath Sarma College is a pioneer institute of higher education in Sivasagar district of Assam. The college has been imparting quality education since its inception. Students come to this college from far-flung areas of the district and even from outside the district to pursue higher education in their chosen branches of knowledge. Located in the peaceful lush environment of the plain bank of the river Jhanji, bordering Sivasagar and Jorhat districts, it has continued to be a shrine of enlightenment to the student.

## About Gandhi Study Centre

Jhanji Hemnath Sarma College established a study Centre named "Gandhi Study Centre" in order to promote the values, ideas and philosophy of Mahatma Gandhi on 30th April 2014. The study centre has been organising numbers of international and national level seminars and workshops since its inception. It also has published two books on ideas and philosophy. The Study Centre has been organising numbers of programs every year on the occasion of Gandhi Jayanti celebration in order to promote the ideas and values of Gandhi among the students and academicians. This workshop is a part of the efforts of the study centre to promote Gandhian philosophy as well as to strengthen the knowledge hub of students and academicians.

## About the Workshop

Intellectual Property Rights (IPR) plays a crucial role in the growth of international trade and domestic trade in a nation. It not only encourages not only innovation but also acts as a catalyst for economic growth by attracting investment in research and development, fostering entrepreneurship, and creating jobs in different sectors. IPR also has a profound effect on artistic and cultural creations as it preserves and promotes cultural heritage by protecting traditional knowledge, folklore, and artistic expressions. Technological advancements has increased the importance of IPR and presented new challenges to the protection of intellectual property. Strong IP laws make a significant contribution to the growth of the economy and its respective states. Acknowledging this, a seven-day workshop on the topic "[Emerging Trends in International Property Rights In Indian Context](#)" will be organized by Jhanji Hemnath Sarma College in collaboration with Assam Women's University and Dikhowmukh College starting from November 2 to November 8, 2023, in blended mode. This workshop will enhance the knowledge of the participants on IPR and its protection.
